RECRUITING

TYPESETTERS

I could really use the help of some typesetters (with a bit of experience if possible) to actually release more of the series I plan to do

REDRAWERS

I'm really looking for redrawers right now for the following series **Shinjuku Swan Sekisei Inko** and **Biorg Trinity** While cleaning for these series doesn't take all that much time..redrawing isn't my strong suit and takes me a lot of time Spending a lot of time on redrawing means I won't be able to release more than one chapter every week which in turn would mean the series would take forever to be fully scanlated
